Department Centre for International Management  
Position at home institution Associate Director, International Programs and Projects

### Short personal profile (max. 5 sentences)

As Associate Director, I oversee the exchange programs at Smith School of Business for our MBA, Master of International Business, double-degree, and other graduate programs. I have had the pleasure of working at Smith for a little over three years, and in the Centre for International Management for a little over one year. Although now settled in Kingston, Ontario with my young family, I have previously had the opportunities to work and/or study in the U.K., Germany, Turkey and Japan and am, therefore, extremely passionate about international education and mobility.
