

Accounting Internship

At Dell, we are committed to bringing innovation to people everywhere and organizations of all shapes and sizes so they can transform and thrive in the digital economy.

We are looking for interns who are comfortable taking accountability and are able to adapt easily to meet the needs of our rapidly evolving business. The ideal intern is customer focused, results driven, innovative, works well on a team, and acts with integrity.

You will also be responsible for the following:

- Preparation and booking Intercompany settlements
- Running GL distribution process in Novora on monthly basis and check after distribution
- Support with raw material shipments bookings – export/import via AGIS - co-operations with counterparts, preparing and booking journals
- Revenue recognition process support.
- Journal Entries Documentation - preparing and uploading
- Reports downloads and backup collections
- Collecting statutory and tax compliant backup each month for each AGIS entry and passing to AP team/Tax for review

You are our candidate if:

- University student of Accounting, Audit, Finance, Management or Business (in 2th – 4th grade of study)
- Intermediate level of English (written & verbal)
- PC literacy (Excel, Power Point)
- Willingness to learn, work for 20 hours per week

Hourly salary: 4.50 EUR

Company Description:

Dell is a collective of customer-obsessed, industry-leading visionaries. At our core is a commitment to diversity, sustainability and our communities. We offer unparalleled growth and development opportunities for our team members. We believe that technology is essential for driving human progress, and we're committed to providing that technology to people and organizations everywhere, so they can transform the way they work and live.
