

# Finance, Banking and Investment

## BACHELOR STUDY

Possibility to continue studying on master's degree programs in English.

A study plan comparable to foreign universities with a great opportunity to study abroad.

Wide range of elective subjects according to your own interest and focus.

***Study Finance and Banking - the best  
Investment for your rewarding  
and challenging future career!***

## WHY STUDY FINANCE, BANKING AND INVESTMENT

***What does the Bull and the Bear mean in the financial market?***

***Can negative interest rates also have a positive effect?***

***Will only cryptocurrencies work in the future?***

***Who will pay the state budget deficit?***

Some of the most rewarding and challenging professions in domestic and international corporate community demand a background in finance. A bachelor study programme Finance, Banking and Investment prepares students for exciting and challenging careers in all areas of finance with a robust curriculum, a broad and deep range of elective courses, and a wide array of practice opportunities. They are also prepared to continue in their studies on master's level.
